

Women's Bible Studies

Entrusted: A Study of 2 Timothy (A Beth Moore Study)

Taught by Cindy Spicer | 6 weeks | Saturdays, 10 am-Noon | Begins Oct. 1

Not only is 2 Timothy Paul's final letter, but it is also his last words to Timothy, whom Paul described as "his beloved son" in the ministry. Paul traveled with Timothy and mentored him closely, so that he could step in to fill Paul's big shoes after the Lord called him home. We will be challenged by Paul's transparency, his instructions for Timothy after his passing, his approach to the finish line of his earthly race, and his absolute faithfulness of God through hard times. I can't wait to be inspired by Beth's wonderful video lectures. Cost: \$13

Galatians: Getting Grace Straight

Taught by Susan Hearn | 8 weeks | Tuesdays, 9-11 am | Begins Sept. 13

J. Gresham Machen said, "False ideas are the greatest obstacles to the reception of the gospel." We are constantly inundated with false ideas and rhetoric designed to disturb us and "distort the gospel of Christ." How do we sort through all this and find the real gospel, the gospel of grace? Galatians is a good place to start! The churches in Galatia were facing the same kind of problem, and they were in deep trouble. Join us as we dig deep into God's word to the Galatians. Paul addresses these false ideas with the force and clarity that only a loving spiritual father can do. Real gospel, real truth, real freedom!

Getting Ready: The Parable of the Ten Virgins

Taught by Jenny Thomas | 5 weeks | Saturdays, 9-11 am | Begins Jan. 7

Jesus understood that His Church would need encouragement to be watchful while awaiting His second coming. For this reason, He gave the Parable of the Ten Virgins. Come discover the rich imagery, symbolism and hope in Jesus' beautiful promise, meant to inspire us to be spiritually prepared for the coming of our Bridegroom.

Childcare will be provided upon request.

About the Study Leaders

Cindy Spicer grew up in a pastor's home and has been a pastor's wife for the past 39 years, along with other varying roles as a wife, a mom, a nurse, a church musician, and grandmother to four beautiful grandchildren. She has taught the Bible to all ages, from preschool children to senior adults and is a certified Precept Bible study leader. When she is not busy with church responsibilities or a lap full of grandchildren, she enjoys reading, traveling, working a Sudoku puzzle, studying the Bible, and trying her hand at photography. She resides with her husband, Gearl, in Norcross, GA.

Susan Hearn has been married to Joe for 43 years. With 5 grown children and 17 grandchildren, she has a full and busy life. In between visits with family where hugs are gathered and books are read, Susan loves to "play in the dirt" planting flowers, vegetables, and pulling lots of weeds! Since putting her faith in Jesus Christ at age 28, she has grown more convinced than ever that God's Word is the authority for all of life. Although she has no formal biblical training, her hunger to know what God Himself says motivates her to study in an effort to "rightly divide the word of truth," be transformed by it, and to share that truth with all who will listen.

Jenny Thomas is a single workingwoman. She received her BA in Communications at Georgia State University and her Masters in Intercultural Studies (Missions) from Columbia International Seminary. She is a woman in love with the Lord. Her journey of faith has led her to a passionate awareness of God's presence and power, moment-by-moment and day-by-day. Her heart is discipleship, specifically seeing believers grounded in their faith through a thorough knowledge and understanding of the Word of God and a dynamic and truly personal, intimate relationship with the Lord. She loves teaching and exploring the foundations of our faith, and has made the phrase, "To Know Him and to Make Him Known" her life's pursuit.
