

## SOUL ON FIRE

They said to one another, “Were not our hearts burning within us while He was speaking to us on the road, while He was explaining the Scriptures to

us?” Luke 24:32 (NASB)

We see clearly in the scripture above that Jesus had great impact on those men that day. Jesus still has that effect on people today and everything about Him immediately impacts our lives when we encounter Him.

There is a reason those men were so touched by Jesus’ presence: their hearts were tuned in to His love, compassion and focus. And that is my prayer for your heart this weekend.

I want to personally invite you to come away for a special time of focus, study and prayer. We are going to ask Jesus to tune our hearts and guide our lives in the manner He desires. As men, we are going to ask Him to set our souls on fire for His work and His kingdom. Sign up for this exciting event as soon as you read this brochure. You do not want to miss this great opportunity!

## GREETINGS FROM YOUR MEN'S LEADERSHIP

We know hard hearts resist, shallow hearts fade quickly, compromised hearts settle for mediocrity, while surrendered hearts (souls) soar. Do we want to settle or soar? Do we want to survive or thrive? Faith that is relevant and responsive is forever testifying to the lives we touch that Jesus is the answer.

A visible and vocal believer lives and thrives in a wonderful, powerful place because Jesus is there. We need to be challenged to allow Jesus to be full screen and not minimize Him to the task bar.

Come and experience the path to His power and abundance at this year's men's retreat. Prepare to receive all of Him that your life may move from Hope to Harvest! Soul on Fire is a retreat that will cause your heart to burn for Jesus.
