

## Norcross Christian Academy and Preschool

### OUR EDUCATIONAL PHILOSOPHY

The Norcross Christian Academy and Preschool provides a Christian environment for preschoolers and kindergartners to learn and grow. We see all children as individuals, capable of success. We strive to instill in all children a positive self-image and confidence in their own abilities. Our program will include activities that will help your child grow spiritually, emotionally, mentally, physically, and socially. We believe that learning is a sequential process and that all children grow and develop at their own rate. Pressure and unreasonable expectations tend not to be productive; instead, we lend positive reinforcement to children's attempts to master skills appropriate for their age. Our desire is to grow well-rounded children that leave our program knowing Christ, with a good self-image, happy, confident and eager to learn. That's what these early years are all about. We will lay foundations that a child will continue to build upon as they grow.

### CLASSES OFFERED

4-12 Months  
12-24 Months  
Two Year Old  
Three Year Old  
Four Year Old  
Kindergarten  
9:30 a.m. - 1:30 p.m.

## Norcross Christian Academy and Preschool

We create a safe environment that allows preschoolers to discover and learn the way God has created and gifted them to learn. The types of experiences provided in the preschool years guide children to their earliest feelings and attitudes toward faith and spiritual transformation later in life. We focus on what is best for your child and do our best to provide them with a quality, memorable school experience.

We will work together to help pave the way for your preschooler to become spiritually sound, emotionally secure and academically successful. We look forward to working with you this year. Thank you for allowing us to play an important role in your child's life. Know that both the church and school are committed to investing time, energy, talents and money into....

Teaching your children and building your families.
