EMBRACE THE ADVENTURE

There is nothing more exciting than choosing to pursue God through His Word. If we discipline our hearts in the pursuit, we develop a hunger and a thirst for principles that lead us to a more devoted life. The key to this month-long adventure is a willingness to daily seek His heart for your life. Remember, it must be a daily focused discipline. This guide will help you record all the He is saying to your heart.

Embrace the adventure with me,
