

2025 DOMINICAN REPUBLIC PRAYER GUIDE

Dominican Republic Medical/Dental Mission Trip

March 15-22, 2025

Jarabacoa, Dominican Republic

Efrim Moore, Bea Moore, Rolin Desir, Germaine Desir, Jo Ann Carpenter, Sabine Saintable, Ken Cherian, Fredo Francois, Tabi Tabe Ebob, Agborndip Tabot, Joe Burchfield and Chester Whisonant

OVERVIEW

Our team will serve with Mission of Hope. (MOH) MOH operates mobile medical and dental clinics to serve those who have limited access to medical/dental care. These clinics are a part of a larger movement at MOH called Church Advancement. Mobile clinics are an important part of the Community Health Initiative. As a result, education and relationships take top priority. We will serve in one or town of our MOH partner communities.

MOBILE MEDICAL CLINICS

1. Work alongside the local indigenous church and leaders to minister to every man, woman, and child in their community by modeling Christ in all we say and do.
2. Provide a pastoral care team to share the Gospel with everyone in the community.
3. Educate in the areas of wellness, community health, and disease state management.
4. Build and maintain relationships with individuals from local communities.
5. Work with and train local community health leaders to maintain best practices between clinics.
6. Deliver high quality health care by being prepared with the appropriate personnel, supplies and diagnostics.

PRAYER REQUESTS

God would be glorified by EVERY aspect of our trip!

Each of us will be fully surrendered to God as we serve Him through missions work!

The Holy Spirit will guide our words and actions!

God will open the minds of unbelievers we will encounter, so they can hear about the love of Christ!

All participating on this trip would be sensitive to the leading of the Holy Spirit!

God will give us strength and good health through the trip!

Each team member will have faith that God will continue to grow seeds that were planted!

All team members and translators would be bold in sharing our faith!
